我们走向 香料原产地

We actually go where the pepper grows.

最香味浓郁的胡椒、最名贵的辣椒、最芳香的墨角兰，它们的产地在哪里？我们了解全球最好的香料种植区，并将其与地区性口味和客户的偏好结合起来。细致谨慎的采购是我们产品质量的基础。多年积累的经验，与印度、中国、美洲或欧洲当地的农民和商人保持着紧密、良好的联系——您可以从我们客户的产品中体验出来。

Where does the most intense kind of pepper grow, the noblest paprika, the sweetest smelling marjoram...? We know the best arable fields around the world and combine them with the regional tastes and preferences of our customers. Through careful sourcing we lay the foundation for the quality of our products. Experience gathered over many years, good personal contacts with the farmers and traders on site in India, China, the Americas or Europe. You can taste this in our customers' products.
